

# Community

“Yes, Tiki does it.”

The Tiki Community is a global network of developers, site operators, consultants and end users interested in the Tiki Wiki CMS Groupware.

Currently tiki.org has over **25,000** registered users and over **300** developers at this site.

## Teams

Teams are how you can help out in the Tiki Community. Feel free to participate according to your experience, availability & interests. To make our community more efficient and scalable. The more involved members are mentors, coordinators and facilitators.

[see here: Teams](#)

## Tiki User Groups (TUGs)

Tiki community members can get together in Tiki User Groups based on certain interests, locality or language.

The main focus is to setup language based user groups to give an opportunity for people to communicate and contribute in their preferred language.

## Community Forums
